

Houston Independent School District

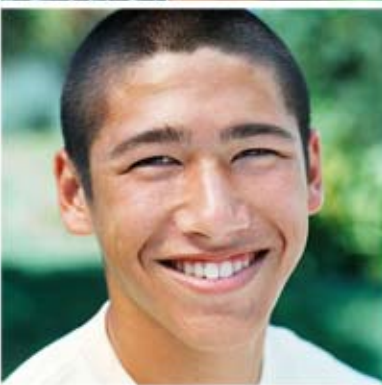

The Virtual School Department is proud to offer free access to the StudentEdge college preparation portal. Students can utilize innovative, highly interactive online courseware for comprehensive test preparation, college planning, financial aid tools, and career exploration.

Test Prep Courses available for: SAT, ACT, PSAT & TAKS Exit

Students receive personalized lessons based on diagnostic tests taken at the beginning of the session. The program identifies where the student needs help and reinforces those subject areas with in-depth and focused exercises. By following the StudentEdge learning path, students increase their overall comprehension of the tested materials, which results in improved scores.

Full Length Practice Tests

StudentEdge also includes unlimited access to full-length practice tests. Each test provides answers and full explanations to give students the opportunity to improve their scores and help ease test anxiety.

Search for Schools and Financial Aid

It is never too early to start thinking about college and how to pay for post-secondary education. Students are able to narrow down college searches based on campus size, region, public or private status, and religious affiliation.

With the ability to search through more than **1 million public awards**, based on academics, academic field, community service, religious affiliation, military service, and state of residence, students will have more than **\$8 billion** in scholarships, grants, and prizes at their fingertips!
